Thank you.

You're eating too much!
It's delicious! The hot dog here is the most delicious!
But this is too much.
It's okay I spend so much calories too
For growing up the muscle strength, it's still not enough
How about your sport? Do you enjoy it?
But, why did you choose boxing? It'll be hurt if you get hit
All of the sport can't avoid any injuries. The body should be immune, so it won't hurts too much.
Yeah! It's really fun. Physical activity is all the best for me.
He he...
Look, I've muscle in my arms. It's hard. You want to hit it?

Boxing is really fun
My stress is all gone!
Is it more fun than acting?
In the screen.. you re so shining

Are you sure you can give up like this and you won't regret it?

Let's become the nice parents.
It's too abstract. What's nice parents mean?
The parents who always help their children for choosing love and the best job?
Ok. It's good! We must actualize it.

We can't live just for doing something fun
Whatever you choose you can't be satisfied 100% right?
That's why I don't want to think anything. Just do it diligently

Ah!!
Empty
Damn it! The possibility is too small!
Ah How can I get money?
If I've money for buying airplane ticket what about money for living there?
Jenny Yeun is going too
Yes?
Do Hun
Where are you? Let's meet up
What does he want from me?

She's very similar to Jeeny. Is she looks similar because of the situation?
She's grew up in our company. She's pretty isn't it?
Are you growing up with Jeeny?
It's not like that! This is has nothing to do with Jeeny!
There's not only Jeeny in our company, but there are so many characters
Shut up! What did you know
What? What kind of character is it? I thought she's Jeeny!
Everybody will think she's a Jeeny's copycat
Why did you call me then? Just talk to the point

This is the first time I saw him like that.
Actually he's pretty serious.....
He was so proud that he has a girlfriend. I told him to introduce me, but he said he can't do it because he's too love her.
That time I thought he was just kidding me.....
Really? Do Hun said that?
Yeah! He said that
Before you came here, he was delirious too. He continued to go to nightclub.
It seems like he was so painful because you and A-Jin are in the news everyday

"I like her."
"Really..."
Why don't you believe me?"
"You are so mean."
"But... I was the one who made you feel like that. Maybe I'm more mean than you..."
"Then what should I do?"
Do Hun.....
